### Specific Elements

#### Description of Work:

All activities performed in support of this TDD shall be in accordance with the contract and TO PWS.

Amendment A adds the SSID of A6GM.

Assist the OSC by performing the following: conduct air monitoring on and off the facility, conduct water parameter testing at multiple locations in a ditch and creek area, and gather information from the RP and state and local agencies on the incident and its impacts. START to assist the OSC with documentation via photos and written and with uploading onto the epaosc website. START to create a final report including as attachments to the report any data collected by the RP and the RP's contractor CTEH. START to consult with OSC Brescia on type of final report needed. **NOTE TO START FINANCE: SSID will be issued after Christmas Holiday due to office closing on December 24, 2012.**
